

# "Voices of Iso-Polyphony"

Tirana International Choral Festival -7 edition.  
on September 24-28, 2020

*Dear Friends of Choral Music*

The Festival will be open to: Diversity of international choral music (from ancient to contemporary), sacred music, folk traditional & Iso-Polyphony, Jazz and Gospel, is what the artistic spectrum of Festival will cover. The event is particularly appealing for the all amateurs chorales. Participants besides emotions interpretation of their program "free chosen", will enjoy by the workshops the beautiful experience of learning Iso-Polyphony, (this earliest traditional Albanian music which is a world heritage value by UNESCO from 2006). Spirit of Iso-Polyphony is based on the individual creativity and enthusiasm of being & singing in the group by combining personal performance with that of each member of the group.
